STATEMENT OF OBJECTS AND REASONS

The Second National Commission on Labour (the Commission) had submitted its Report on “Occupational Safety, Health and Working Conditions of the Workers” in June, 2002. In pursuance of the recommendations of the said Commission, it has become necessary to enact a Central Legislation in the form of a Code, namely the Occupational Safety, Health and Working Conditions Code, 2019 which incorporates the essential features of the thirteen enactments relating to factories, mines, dock workers, building and other construction workers, plantations labour, contract labour, Inter-State migrant workmen, working Journalist and other news paper employees, motor transport workers, sales promotion employees, beedi and cigar workers, cine workers and cinema theatre workers and to repeal the respective enactments. It provides broader legislative framework to secure just and humane conditions of work with flexibility and to provide enabling provisions for making rules and regulations in tune with the emerging technologies.

2. The Occupational Safety, Health and Working Conditions Code, 2019 simplifies, amalgamates and rationalises the provisions of thirteen enactments in the aforesaid areas and to comprise them in a concise volume with certain important changes. The salient features of the said Code, *inter alia*, provides for the following, namely:—

- (i) to impart flexibility in adapting dynamic factors and technological changes, in the matters relating to health, safety, welfare and working conditions of workers;
- (ii) to apply the provisions of the proposed Code for all establishments having ten or more workers, other than the establishments relating to mines and docks;
- (iii) to expand—

 - (b) the scope of journalists to include them in electronic media such as in e-paper establishment or in radio or in other media;
 - (c) the scope of Inter-State migrant workers to include therein the workers recruited or engaged by an employer directly, from one State to another State for employment in his establishment;
 - (d) the definition of “family” to include therein the dependent grandparents in order to take care of them in old age;
- (iv) to provide the concept of “one registration” for all establishments having ten or more employees;
- (v) to constitute “the National Occupational Safety and Health Advisory Board” to give recommendations to the Central Government on policy matters, relating to occupational safety, health and working conditions of workers;
- (vi) to constitute “the State Occupational Safety and Health Advisory Board” at the State level to advise the State Government on such matters arising out of the administration of the proposed Code;
- (vii) to make a provision for the constitution of “Safety Committee” by the appropriate Government in any establishment or class of establishments;
- (viii) to allow the women employees to work at night, that is, beyond 7 PM and before 6AM subject to the conditions relating to safety, holiday, working hours and their consent;

(ix) to make a provision of “common license” for factory, contract labour and beedi and cigar establishments and to introduce the concept of a single all India license for five years for engaging the contract labour;

(x) to enable the courts to give a portion of monetary penalties upto fifty per cent. to the worker who is a victim of accident or to the legal heirs of such victim in the case of his death; and

(xi) to make a provision for adjudging the penalties imposed under the Code.
