

**No. DGET-12/03/2013-TU (Part I)**  
Government of India  
Ministry of Labour & Employment  
Directorate General of Employment & Training

Shram Shakti Bhawan, New Delhi  
Dated: 7<sup>th</sup> January, 2014

**OFFICE MEMORANDUM**

**Subject: Constitution of Mentor Councils for NCVT courses**

The Ministry of Labour and Employment runs a network of more than 10,000 Industrial Training Institutes (ITIs) with seating capacity of around 15 lakh candidates, offering courses in a large number of sectors. In addition, on-the-job training under the Apprenticeship Act, training in modular pattern under Skill Development Initiative Scheme (SDIS), short term training under Advanced Vocational Training Scheme (AVTS) and training of trainers under Crafts Instructor Training Scheme (CITS) is provided. Given the burgeoning skill gap faced by the Indian economy, there is a clear need to revitalize this large network of ITIs and Centrally Funded Institutions under the control of this Ministry, so that these institutions can provide relevant and employment ready skills to the trainees. It has been observed that a proactive partnership between various stakeholders can help bridge the gap between the current state of these institutions, and their desired best-in-class capabilities.

2. This Ministry has, therefore, decided to set up Mentor Councils to focus on courses run / to be run under NCVT in the sectors listed at **Appendix I** with representation from thought leaders among various stakeholders viz. industries, innovative entrepreneurs who have proved to be game-changers, academic/professional institutions, and champion ITIs for each of the sectors. The Ministry has constituted Core Groups in 11 key sectors vide OM No. DGET-12/04/2013-TU (Pt.) dated 6<sup>th</sup> January 2014 (copy attached at **Appendix II**). The members of these Core Groups would also support the Mentor Councils of the concerned sector in discharging its functions. The composition for Mentor Councils (sector-wise) is at **Appendix III to XXVII**. The composition of Mentor Councils may be altered depending upon the requirement with prior approval of the Ministry.

3. The terms of reference for the Mentor Councils will be as under:

- (a) To guide the Ministry / NCVT in responding pro-actively to the skill demands in the respective sector by periodically suggesting appropriate changes in courses, curriculum, pedagogy, evaluation / assessment systems etc.;
- (b) To guide in the development of curriculum, suggest new courses wherever required and identify and develop good teaching and learning aids and Instructional Media Packages (IMPs);

- (c) To provide guidance and support for restructuring the courses offered under NCVT across its various schemes such as Craftsmen Training Scheme (CTS), Apprenticeship Training Scheme (ATS), ITI Centres of Excellence (CoE), Advanced Vocational Training Scheme (AVTS), and Skill Development Initiative Scheme (SDIS);
- (d) To suggest ways of scaling up training of trainers with quality including suggestions for improving the curriculum, pedagogy, evaluation / assessment of trainees under the Crafts Instructor Training Scheme (CITS);
- (e) To identify infrastructure improvements and other performance enhancement strategies;
- (f) To suggest ways for making assessment systems more reliable;
- (g) To identify and suggest methods of improving on-the-job training and placement of trainees and provide specific mechanisms and interventions for the same; and
- (h) To carry out any other relevant activity for the development of skilled manpower in the respective sector.

4. The Mentor Councils will have a term of three years and their tenure may be extended subsequently for consecutive three-year terms based on the needs of the sector and the contribution of the individual Mentor Council. The Mentor Councils will be supported by the Incubation Centres and Chairs being set up by the Ministry in various academic institutions. The Central Staff Training & Research Institute (CSTARI) and the National Instructional Media Institute (NIMI) will provide required technical support to Mentor Councils. The activities of Mentor Councils will be coordinated by the concerned Coordinators. Each Mentor Council would also identify among its members, a Chairperson to lead its activities.

5. The Mentor Councils would be expected to take up variety of activities and complete the first set of activities as per the following timelines:

- (a) Complete interaction with the stakeholders to propose a list of courses with their duration for various schemes: 28<sup>th</sup> February 2014
- (b) Review curriculum, admissions criteria, course duration, requirement of infrastructure and consumables, instructors' qualification, requirement of training of trainers, assessment / evaluation systems etc. for the sector and make recommendations regarding the same: 30<sup>th</sup> April 2014
- (c) Guide Core Groups / experts, for the development of instruction material for the sector and prepare suitable strategy, model etc.: 31<sup>st</sup> May 2014
- (d) Review the IMPs etc. developed and make recommendations for its adoption: 30<sup>th</sup> June 2014
- (e) Take stock of emerging trends in the sector, corresponding requirement and availability of skilled workforce, available training capacity etc. to suggest mid-term and long-term strategies and actions required for meeting the market demands: 31<sup>st</sup> December 2014

6. A Steering Committee to provide overall coordination and guidance to Mentor Councils is being constituted separately. This Steering Committee would have adequate representation from each of the Mentor Councils.

(Shikhar Agrawal)  
DGET and Joint Secretary  
Phone: 23710446

Encl: As stated above.

Government of India  
Ministry of Labour & Employment  
Directorate General of Employment & Training

Shram Shakti Bhawan, New Delhi  
Dated: 6<sup>th</sup> January, 2014

**OFFICE MEMORANDUM**

Restructuring and redesigning of Skill Development Courses being run by the Ministry of Labour & Employment to make the candidates undertaking these courses employable needs no emphasis. Most of the courses presently run by the Ministry are in 11 major sectors, the list of which is attached at **Annexure-I**. Mentor Councils are being constituted for all the key sectors with experts from industries, professional institutions, champion ITIs etc. as its members. Since officers working in various institutions of DGE&T have substantial experience and expertise in the sectors identified, Core Groups are hereby constituted for each of these 11 sectors to start work in this regard and to propose changes required.

Each of these Groups would have a Mentor posted at DGE&T headquarter in Delhi, a representative of Central Staff Training & Research Institute (CSTARI), and a representative of National Instructional Media Institute (NIMI) so that all the aspects related to development of curriculum and instruction material are taken care of at every step. Each Core Group will also have a Champion Master Trainer from one of the champion ITIs. The Mentor of the Group will also have the flexibility to nominate additional experts in the Group as required. The sector-wise composition of these Core Groups is attached at **Annexure-II to XII**.

The Terms of Reference of these Core Groups would be as under:

- i. To interact with industries and assess the demand, propose restructuring, redesigning, deletion, addition of courses in the concerned sectors.
- ii. To review and make recommendations regarding all aspects including curriculum, course structure, course duration, requirement of infrastructure and consumables, space and power norms, trainers' qualification, requirements related to training of trainers, admission criteria, assessment and evaluation methodology etc. of the existing CTS, COE, CITS, ATS and SDIS courses in the concerned sector and also for new courses wherever proposed.
- iii. To critically evaluate the availability and quality of instruction material in various languages for the existing courses, identify the material required for existing as well as proposed courses and develop the same.
- iv. To explore the possibility of using distance learning, e-learning and internship / apprenticeship as part of the course design.

The Core Groups would be expected to complete specific activities as per the following timelines:

- i. Complete interaction with the stakeholders: 31<sup>st</sup> January 2014
- ii. Submit initial restructuring proposal: 15<sup>th</sup> February 2014
- iii. Complete development of curriculum for concerned sector: 31<sup>st</sup> May 2014
- iv. Complete development of instruction material: 30<sup>th</sup> June 2014

All reports of the Core Groups should be submitted to their mentors at DGE&T Headquarters, who in turn, after careful scrutiny would submit the same to Shri S.D. Lahiri, Director (CI). Shri S.D. Lahiri, Director (CI) would be overall Coordinator for this exercise and also for Mentor Councils.

This is issued in supersession of the O.M. of even number dated 13<sup>th</sup> December 2013.
