Employment assumes centrality in contemporary public policy discourse across the globe. This is particularly significant in the context of large and emerging economies like India experiencing demographic transition on the one hand and structural transformation on the other. It is becoming increasingly important to generate quality employment to meet the growing aspirations of youth in the country. There is a growing need to formulate new and innovative strategies to enhance the professional capacities of different stakeholders concerned with various facets of quality employment generation. One core strategy in this regard is to develop customised training programmes for target groups like employment officers, personnel of public employment services, professionals extending counselling services to the job seekers, representatives of employers’ associations and trade unions, so that they contribute more effectively in job creation and job search assistance.

It is in this context that the professional activities of the National Institute of Career Service (NICS) (erstwhile Central Institute for Research and Training in Employment Service), Ministry of Labour and Employment, Government of India assumes paramount importance. NICS is the only national level government institution committed to impart training to the various stakeholders associated with different dimensions of employment and career services.

NICS training Calendar 2020-21 has been designed to address the emerging training requirements of the different stakeholders and we sincerely hope that these training intervention will scale up the professional competency of the participant and their institution to respond to the need of world of work.
From the Desk of Deputy Director General

Employment is the crucial link between growth and reduction in poverty. Poverty alleviation, employment, equitable income distribution across social classes and regions remain crucial goals of economic policy in India. Investment in human capital, so that people can take advantage of the opportunities offered by the market, becomes essential in such a framework.

The fresh perspective regarding employment and growth in India relates to shifting focus to a more holistic goal with focus not only on creation of jobs, but the creation of more fulfilling and better-paying jobs that are more productive and enhance the work quality such as safety, cleanliness, flexibility, income security, skills, intellectual stimulation etc. These aspects of work are important objectives for an economy that seeks to deliver inclusive growth and meet the aspirations and expectations of its workforce.

In line with this vision, the Ministry of Labour & Employment, Directorate General of Employment, has implemented National Career Service (NCS) project as a modernized version of the National Employment Service which shall act as a common centralized platform to provide a better range of services including job placement, vacancy notification, information on formal training programmers, on the job training etc.

Deputy Director General
Ministry of Labour & Employment
Government of India
The **National Institute for Career Service** (NICS) erstwhile Central Institute for Research and Training in Employment Service (CIRTES), was set up in October, 1964 under Directorate General of Employment (DGE), M/o Labour & Employment for imparting Research & Training in Employment Services. The Institute was later expanded in 1970 with additional function of publishing career literature and again in 1987 with added responsibility of occupational research & promotion of self-employment. Now, the Ministry is implementing the Employment Exchange Mission Mode Project under National e-Government plan (Ne-GP). Under this Project, NICS-NOIDA, has been designated as nodal institute for capacity building. NICS is responsible for imparting training to all stakeholders of NCS project like Employer, Job Seeker, Training Provider, College Students/ Counsellors/ Placement Organisation/Govt. Organisation etc and also imparting professional in-service training for Officers of National Employment Services working at Central & State Govt. NICS is also playing major role in implementing the Young Professional Scheme of M/o Labour and Employment and coordinating the activities of Model Career Centres established across country under NCS project.

**Vision:**

To be a National Centre of Excellence to provide enhanced employability through Training, Research & Capacity Building Programme in the area of Employment under National Employment Services.
**Mission:**

- Enhancing human & organisational excellence in Employment/ Career Service by organizing various capacity building programmes.
- Effective implementation of various schemes of National Employment Service/ National Career Service for the benefit of various stakeholders.
- Monitoring & evaluation of various schemes of National Career Service project on a sustainable basis.
- Strengthening & improving the quality of Employment services by empowering and enhancing the capacities of the Employment Personnel with regular capacity building trainings.
- Enhanced employability through capacity building of employment/ career service personnel and developing innovative strategies for career counselling, job -matching and placement.

**Activities:**

- NICS has been organizing Capacity Building Programmes for Employment service personnel working in various States of India. It also offers training in specialized areas like Labour Market Analysis, Career counselling, etc. in collaboration with premier institutes like IIFT, VVGNLI etc.
- Organising Workshops and Orientation Programmes for various stakeholders of NCS viz. Jobseekers, Employers, Skill Providers, Counsellors, Placement Organizations & Govt. Departments.
- Organising Skill-Gap Training Programmes i.e EDP Programmes for Jobseekers, ATAL program on "Data Science", Employability Training for jobseekers etc. in collaboration with various Govt & Private Organisations like TCS, MSME etc.
- Outreach activities
- Organising Job Fairs and Job drives for the benefit of Job Seekers.
- Implementation of Young Professionals Scheme of National Career Service Project of M/o Labour and Employment. Which includes YP Recruitment, Training of YPs, and disbursement of remuneration & grant of increments etc of all Yps posted across India.
- Monitoring the work of Young Professionals working with various Model Career Centres established under National Career Service Project. Conducting PAB meetings for contract extensions of Yps.
- Monitoring the Job Fair activities of all Model Career Centres and Employment Exchanges.
Brief of Capacity Building Programs and Workshops
I. Integrated/Induction Training programme for the newly recruited/promoted Employment Personnel

This is the basic course for all employment personnel to equip the comprehensive knowledge about the organisation at Central/State/District/Rural level, its structure and various services being run by the NCS. In addition, participants are also briefed on other supportive subjects like Apprenticeship training program, Entrepreneurship, Manpower planning, ILO convention, recommendation etc.

Aim:
To strength the understanding of newly recruited/promoted employment personnel about various aspects of activities of employment exchanges and NCS Project. To enable these newly recruited or promoted officers to understand the important role being played by the Employment Exchanges, Modal Career Centres, NCS for DA (VRCs) & NCS for SC/ST (CGCs) in promoting employment amongst unemployed youth, job seekers of different categories.

Objective:
- To provide an overview of some of the important areas of work of Employment Exchanges, MCCs, NCS for DA & NCS (VRCs) for SC/ST (CGCs).
- To develop insight on the NCS project.
- To discuss various networks and strategies for effective implementation of Employment Marketing Information, Vocational Guidance, Counselling, Entrepreneurship activities in employment Exchanges for the benefit of Job Seekers and Unemployed Youth.

Course Module:
- About Employment Marketing Information & activities.
- About Vocational Guidance & activities.
- Overview of NCS portal management.
- Role of MCCs, YPs in NCS
- Entrepreneurship
- Career Counselling
- Importance of Job Fair, Job fair management.
- Labour Market Analysis and Employment Unemployment situation in India

Methodology:
- Classroom Training
- Computer Lab Training
- Field Visit
**Faculty:**
Internal faculty, other eminent experts from various institutes like NCERT, Indian Institute of Foreign Trade, VVGNLI, Indian School of Business, Delhi University, Lady Sreeram College, Honda, Maruti etc.

**Participation Level:**
Newly Recruited and promoted Employment personnel dealing with the activities of Employment Exchanges/ UEIGBx/ Model Career Centres.

**Duration:** 12 Days (2 Weeks)

**Dates:** Three Programmes have been planned during June 2020, Oct 2020 and Feb 2021

- Entrepreneurship in India- Significance, Trends & challenges
- Importance of VG/Career Counselling in NCS Project
- Job Skill Mapping
- ILO convention/recommendation relating to employment market.
- NCO, NIC
- Survey and Research Methodology
- NCS Portal management & Role of NCS & MCCs in employment market/labour market
- Employment schemes of various Ministries

**Methodology:**
- Classroom Training
- Computer Lab Training
- Field Visit

**Faculty:** Internal faculty, other eminent experts from various institutes like NCERT, IIFT, VVGNLI, Indian School of Business, Delhi University, NIESBUD, Honda, Maruti etc.

**Participation Level:** Employment Personnel who are looking into the activities of VG.

**Duration:** 5 Days (1 Week)

**Dates:** Three Programmes have been planned during Apr 2020, Sept 2020 and Nov 2020.

**How to Apply:** Trainees will be nominated by State Directorates

***
IV. Training on Career Counselling Techniques & Type of Counselling for Employment Personnel

**Aim:**
To refresh the knowledge of Employment Personnel in the area of Career Counselling and its related activities.

**Objectives:**
Training course helps in updating the knowledge and skills of the employment personnel to take up various activities of Career Counselling more effectively with designed level of standard and efficiency. It also helps the employment personnel in equipping them with new tools and techniques to be used in the field.

**Course Module:**
- Assessment Tools: Introduction to Psychometric Test & Evaluation of Psychometric Test
- Introduction to Counselling and stages of Counselling Process
- Need for Counselling and Role of Counsellor/Career Counsellor in Model Career Centre
- Role Play
- Job Skill Mapping
- NCS Portal management
- Self-Employment & Entrepreneurship (Type, Marketing, Planning, Operation, Finance & Schemes)
- Career Counselling-Interaction with Jobseekers & Students
- Employment opportunities in Private Sector & International Placements

**Methodology:**
- Classroom Training
- Computer Lab Training
- Field Visit

**Faculty:** Internal faculty, other eminent experts from various institutes like NCERT, IIFT, VVGNLI, Delhi University, NIESBUD, Lady Sreeram College, Honda, Maruti etc.

**Participation Level:** Employment personnel who are looking into the activities of Career Counselling.

**Duration:** 5 Days (1 Week)

**Dates:** Three Programmes have been planned during July 2020, Oct 2020 and Dec 2020.

**How to Apply:** Trainees will be nominated by State Directorates
V. Training program on Skill Development & Youth Employment for Employment Personnel in collaboration with VVGNLI

**Aim:**
The programme aims to acquaint the Employment Personnel working in the field of Career Counselling & Vocational Guidance with the knowledge, importance and prospects of skill development in enhancing employability and entrepreneurship of youth. - NCS portal Management (Theory & Hands on Training)
- Job Fair Management
- Content Management (Introduction to NCO)
- Employment schemes of various Ministries
- Employment & Unemployment scenario in India. Initiatives of Central/State Govt for Demographic Dividends
- ILO convention/recommendation relating to employment market.
- Survey and Research Methodology
- Collection, compilation, interpretation of employment market information data.
- Labour Market Analysis and Employment Unemployment situation in India
**Methodology:**
- Classroom Training
- Computer Lab Training
- Field Visit

**Participation Level:** Young Professional

**Faculty:** Internal Faculty, other faculty from IIFT, DGE, HP, HCL

**Duration:** 3 Weeks

**Dates:** Jan 2021

**How to Apply:** This training is for newly recruited Young Professional.

***
XIII. Refresher Training Programme for Young Professionals

**Aim:**
To refresh the knowledge of Young Professional working with Model Career Centres

**Objective:**
- To update their knowledge on the NCS project and to provide a platform for them to share their feedback and ideas to improvise.
- To discuss problems and bottlenecks in effective implementation of NCS project at state level through MCCs and to identify best practices to overcome such bottlenecks.

**Course Module:**
- Overview of NCSP and latest updates of NCS portal.
- Career Counselling
- Entrepreneurial development-Management & Finance
- NCS portal Management (Theory & Hands on Training)
- Job Fair Management
- Best Practice of MCCs – experience sharing by YPs.
- Brainstorming session on improvement of NCS portal and innovative ideas for effective implementation of NCS at MCCs.
- Interactive session with NCS project consultant team.

**Methodology:**
- Classroom Training
- Computer Lab Training

**Participation Level:** Young Professional who have completed at least one year of service contract period.

**Faculty:** Internal faculty and other faculty from institutes like IIFT, HCL and HP

**Duration:** 2 Days

**Dates:** Two programmes will be conducted during May 2020 & Sept 2020

**How to Apply:** Trainees will be nominated by NICS.

***
XIV. Workshop / conclave on NCS for Employers, Counsellors, Placement Organization, NGOs looking into Employment related activities, Skill Provider providers of PMKVY & Training providers of DDUGKY

Aim:
To make them aware of important role being played by National Career Service project in the National Employment Service.

Most of the unemployed youth, particularly in the rural areas, are lacking adequate employability skills which are hindering their scope for finding an adequate job for their living. In order to strengthen the employability of the students and unemployed youth and help them to foresee a brighter future with aspiration and hope, this institute is organising free employability training programmes for them. This training will help the unemployed youth to bridge their skill-gap and help them in their placement. In such programmes, the institute seek the support of the employers and their CSR initiatives. These training programmes are being organised at various centres particularly at the MCC established in different districts of the country. TATA Affirmative Action Program (TAAP), Classic Stripes Private Limited, Asian Paints etc. are already supporting for organising such employability training programmes.

Aim:
Providing Free Employability Training for the SC/ST and economically backward candidates.

Objective:
The training focuses on enhancing and improving the confidence level of the participants and hones their communication skills in English and analytical reasoning. These 100 hours training comprises the following curriculum:
1. Communicative English
2. Corporate etiquette and soft skills
3. Resume building and Interview facing skills
4. Analytical and reasoning skills
5. Basic computer knowledge

On successful conclusion of the 100-120 hours training, Certificate of completion & appreciation will be provided which will enhance the candidates' employability in the corporate world.

Post Training Interview
• The candidates who have successfully completed the training will be forwarded for placement.
• The entire interview shall be devoid of all external and internal influences.
• All those who are selected will be chosen for entry level jobs at TCS across different locations in India.
• Talented candidates may be chosen for other locations too.
• Cost of the Training: Free / NO Charges

Requirement from MCC/ NICS
• Mobilisation of candidate as per above mentioned eligibility.
• Training room with seating capacity of 40-50 candidates
• Projector & Board / Markers etc
• Submission of attendance / report by end of program.

How to Apply: Candidates are informed about upcoming training programme via mail or SMS then interested candidates nominate themselves by visiting MCC.

National Career Service

National Career Service (NCS) is one of the mission mode projects under the umbrella of E-Governance Plan. It works towards bridging the gap between job-seekers and job providers, candidates seeking training and career guidance and agencies providing training and career counselling by transforming the National Employment Service. It brings together all stakeholders like job seekers, employers, counsellors, trainers and private placement agencies to facilitate convergence of information and create synergies through these associations.

National Career Service is a ground-breaking initiative to consolidate and provide a platform for the diverse workforce, employers, placement agencies, career counsellors, NGOs etc. to interact with each other in order to meet their requirement from the employment market. NCS focusses on easily accessible skill development tools and matching to prospective candidates via the centralised portal (NCS Portal) supported by 978 Employment Exchanges and University Employment Information and Guidance Bureaus in the country. In addition, 100 Model Career Centres will serve as the primary channel for NCS and the Call Centres for facilitating registration and profile updation of the candidates.

NCS provides a host of career-related services such as dynamic job matching, career counselling, job notifications, vocational guidance, information on skill development courses, internships and alike.

A National ICT based portal (www.ncs.gov.in) has been operationalized to bring youth closer to right opportunities at the right time in their careers. On 20th July 2015, Hon’ble Prime Minister, Shri Narendra Modi, dedicated the National Career Service to the nation. NCS also repositions the existing 978 employment exchanges into Career Can ters as the hub of career related services.
Focus
The focus areas for the National Career Service platform are listed below:
- Enhancing career and employment opportunities
- Counselling and guidance for career development
- Focusing on decent employment
- Enhancing female labour force participation
- Encouraging entrepreneurial endeavours

Access Points of NCS
NCS reaches out to people through its multiple delivery mechanisms to empower citizens with access to nationwide opportunities.
- NCS Portal: Nation-wide platform to provide a wide range of online services including job placement, vacancy notification, information on formal training programmes, on-the-job trainings and much more.
- Career Centres: Hub of career-related services primarily engaged in registration of various stakeholders, organizing events such as job fairs and providing career counselling to job-seekers.
- Common Service Centres: NCS services are also accessible through Common Service Centres (CSC). People can avail NCS through CSC at nominal charges and avail all its benefits.
- Post Offices: NCS services are also accessible through Post Offices across the country. Now, youth can easily register on the NCS Portal by visiting nearby post office of their respective locations.

Objectives
- To provide a national platform for interface between stakeholders for responsive, transparent and efficient employment services in order to meet skill needs of a dynamic economy.
- To increase placement of the job seekers registered with Employment Exchanges.
- Easy accessibility of services of employment exchanges for all the stakeholders.
- Provide assessment of capabilities and relevant vocational guidance services to job seekers in improving their employability.
- Provide accurate and quality Employment Market Information for planning and decision making in a timely manner.
- Collection and dissemination of information on employment and training to job seekers and employers in organized and unorganized sector.
### Intent

- Provide all information related to jobs, job market, job profiles, career path and employers at a single point.
- Enhance employability of the workforce by providing them information on training and skilling programmes.
- Facilitate the workforce in their career planning by providing self-help assessment tools.
- Estimate job demand through thorough interaction with industry and employers.
- Identify skills and job mapping.
- Facilitate cohesive candidate-employer interactions by organising job fairs and other interactive methods.
- Organise courses to enhance soft and IT skills, acting as finishing schools, to improve the employability of the candidates under Last Mile Employability scheme.
Ministry of Labour and Employment, Government of India has facilitated establishment of Model Career Centres in collaboration with the States/institutions as per the guidelines issued by Director General of Employment & Training. Model Career Centre (MCC) is a hub of career-related services with right infrastructure and linkages available to perform Counselling, registration on NCSP, conduct Job fairs and Assessment. This scheme is focussed on establishing Career Centres in a phased approach ensuring that standardized set of services are offered across the board. Model Career Centres are responsible for all activities related to the NCS project like Industry Interaction, Candidate Engagement, Job and Skill Mapping and IEC activities.

**Objective:**
Model Career Centres will connect local youth and other job-seekers with all possible job opportunities in a transparent and effective manner through the use of technology as well as through counselling and training. While the state-of-the-art technology driven National Career Service Portal will, in a sustained manner, provide information about available job opportunities and resources for Career Centres to function effectively, the Model Career Centres would be the pivotal outreach and counselling interface of the National Career Service for teeming millions of aspiring youth from rural, semi urban areas as well as from disadvantaged sections of the society.
Activities and Coverage

- **Industry Interaction**: Career Centres will undertake market sizing exercise to estimate the number of employment opportunities in their area, associated skill requirements, skill training capacity availability, etc. This will require close and constant interface with local industry and employers.

- **Candidate Engagement**: On the supply side, Career Centres will provide counselling services to the job seekers and make them aware of opportunities based on their skills, area of interest and requirement. Career Centres will thus provide a range of employment related services like career counselling, job matching, employment market analytics and other value added services.

- **Job and Skill Mapping**: Career Centre will undertake the job skill mapping for identification of right fit job for candidate. The candidates will be assessed through skill assessment and psychometric tests and guided to the right opportunity whether it is for employment, skill training, apprenticeship training, on-the-job-training, finishing course (gap training) etc.

- **IEC activities**: Career Centre through its multi-pronged IEC strategy increases awareness amongst the various stakeholders like skill training institutes, assessment bodies, schools and college administration, local community leaders, government departments and public in general about the services available.

- **Last Mile Employability courses**: A scheme is being evolved for offering Last Mile Employability courses for enhancing the employability of youth.
Young Professional Scheme

The Model Career Centres would be the role model for replication of career related services. For supporting the professional assistance requirement, the Ministry launched a Scheme for Young Professionals with an aim to utilize the knowledge, energy and fresh way of thinking of these young social leaders to help better transform the emerging landscape of Employment Services and Career counselling in India. Young Professional are being deputed to these Model Career Centres to facilitate the integration and institutionalization of new processes.

DGE proposes to empanel competent young professionals through a centralized scheme for a period of 5 years across these MCC. These professionals will prepare regular reports on success parameters, to be shared with all stakeholders and will identify best practices and pain areas/bottlenecks in MCC implementation. They will also coordinate outreach activities to schools/colleges and conduct job-fairs including interaction with academia, local industry, manufacturing associations, training providers and other stakeholders. In case a centre requires the services of a Counsellor, instead of a Young Professional for better operationalization of the MCC, the same may be requested for in the proposal

Roles and Responsibilities

- Facilitating smooth and efficient working of Model Career Centres.
- Promotion of National Career Services portal for multiple stakeholders.
- Facilitating the transition of employment exchanges into career centres by actively engaging in capacity building, branding and training on National Career Services project.
- Supporting State Governments and institutions in replicating this model in other centres
- Preparing regular reports on performance indicators, to be shared with DGE.
- Identifying best practices and pain areas/bottlenecks in implementing DGE schemes and in the collaboration with National Career Services project.
- Coordinating outreach activities in schools/colleges and conducting job-fairs including interaction with academia, local industry, manufacturing associations, training providers, counsellors and others.
- Plan, organize, develop and implement career events and publications to publicize Career Centre services, resources and speaker programs. Maintain lists and bulletins concerning jobs and mapping the required skills with the resource pool; provide information concerning the industry job trends across the country and assistance in the enhancement of the skills in a candidate.
- Conducting research and market analysis to create intelligence for better performance of Model Career Centres.
- Regular interaction with DGE for Model Career Centre monitoring.
- Prepare a wide variety of manual and electronic reports and materials (e.g. program mandated, brochures, mailers, etc.) for the purpose of communicating with staff, students and other stakeholders, and complying with program requirements.
- Working under supervision of MCC nodal officer using standardized practices and/or methods; directing other persons within a small work unit and operating within a defined budget.
- Perform other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit at the Model Career Centres.
Job Fairs

Organizing a Job Fair helps bridge gap between employer and jobseeker by providing a common platform for information sharing, giving job seekers the opportunity to learn more about potential employers and the opportunities available, and on the other hand, gives employers access to a huge pool of qualified manpower to tap into, all under one roof. Also, these job fairs help bridge geographical boundaries by bringing together big employers from across the country and provide diverse employment opportunities to the jobseeker.

The Job fairs being conducted by the MCCs are usually one-day events that attempt to connect several employers with prospective employees (fresher/experienced) on a common platform. The number of participating employers could range anywhere from 5-100 and 100-10k job seekers depending on how large the event is.

Conducting such Job Fairs gives job seekers opportunities for Instant Employment and on the other hand time, money, and efforts spent on the complete recruitment and selection process is significantly reduced for employers by participating in such fairs. They get to have a one-on-one meeting with prospective job applicants and conduct on-the-spot interviews. If the interview goes well, a candidate may be shortlisted or even provided with a final offer letter. Also, since majority of workforce is engaged in the unorganized sector, such job fairs provide a platform to a lot of people to seek employment in this sector in a structured way.

Participating in such Job Fairs is especially useful for the youth in determining their future career choice. Not only do they get the opportunity to interact with HR personnel of several organizations but also an idea about the skill set and qualifications required for a job opening of their choice. Also, they can get feedback on their resume and interview performance. Alternatively, the Employers may also add the candidate details in their data pool for any future job openings.
Performance:

Model Career Centres located in different parts of the country have been organising Job Fair regularly. Information in respect of Job Fairs conducted by various MCCs is detailed below.

**Interlinking of Employment Exchanges**

While steps have been taken to increase the reach of employment service directly through the portal, CSCs, etc., more needs to be done to guide youth and facilitate their interaction with prospective employers through various means like job fair, which have proved to be very successful and is a regular feature in large states. In this context, a scheme has been evolved and finalised to upgrade the infrastructure across all Employment Exchanges with partial funding and facilitate job fairs through the NCS Platform.

In the scheme, DGE, Ministry of Labour & Employment will provide funds for basic IT infrastructure, minor re-furbishing of the 978+ employment exchanges and for organizing job fairs at the district level on a quarterly basis for FY 2016-17. Several States already have good ICT based systems for the employment services while other states require certain infrastructure to improve accessibility of the NCS services at the employment exchanges.

The Scheme contours and funding areas are described below. States can seek funds under the Scheme under the following broad components

a) One-time grant up to Rs. 3 lakh per employment exchange for IT infrastructure enhancement: Some of the items that can be procured under this head include desktops, printers, MFDs, Broadband connectivity and operating expenses for consumables etc. (All Employment Exchanges have already been provided Login IDs and passwords for using the NCS Portal.)

b) One-time grant up to Rs. 5 lakh per employment exchange for refurbishing the office complex: Some of the items that can be procured or installed under this head includes minor refurbishing including minor works (electrical, repairs, painting etc.), sign boards, table, chairs in reception areas etc. This component will not include major civil works or procurement of vehicles.

c) A grant of up to Rs. 2 lakh per job fair per quarter to be organized at the District level: Some of the items that can be included in this component includes venue arrangement, IEC, employer mobilization, stationery and other incidentals. In case of mega job fairs across districts, the funds can be pooled. The NCS Portal provides for the organisation of job fairs and this is to be leveraged under the Scheme.
