D.O.No.S-27025/36/2012-CL

Dated the September, 2013

Dear *Ms. Singh,*

The Aadhar based Direct Benefit Transfer Scheme under the National Child Labour Project Scheme – 'payment of stipend' of Ministry of Labour & Employment has already been implemented in your District. The payment of stipend to the beneficiaries would now be directly from the Ministry to the beneficiary wherein the Project Societies will prepare the digitized list of beneficiaries and upload the digitally signed list on the website <http://dbtapp.gov.in>.

The procedural requirement for uploading of information for payment of stipend under Direct Benefit Transfer Scheme along with the format has already been shared and also the mechanism and the procedural requirement have been stressed upon through various communications and also training sessions/workshops of the Project Directors held in the Ministry.

However, it has been observed that the implementation is lagging behind and some of the districts are not even prepared with digitized data of the beneficiaries. I would also like to reiterate that the digitally signed digitized data of the beneficiaries which is the most essential component is not forthcoming from the districts to the Ministry despite several communications, which is delaying the process of release of stipend to the beneficiaries.

Hence, it is requested that immediate action may be taken to expedite the process and the digitally signed digitized data of beneficiaries may be sent immediately to the Ministry so that the payment of stipend to the beneficiaries does not get delayed. It is also requested that the status of DBT implementation (in the prescribed proforma) may be sent to the Ministry immediately.

A workshop/training session has been arranged for the implementation of this DBT Scheme on 23<sup>rd</sup> September, 2013 at 11.00 A.M. in the Main Committee Room, C Wing, Shram Shakti Bhawan, New Delhi. You are requested to kindly direct your Project Director to attend the same, positively, with the Digitized list of the Beneficiaries.

With regards,

Yours sincerely,

(Anil Khachi)

The payment of stipend to the beneficiaries would now be directly from the Ministry to the beneficiary wherein the Project Societies will prepare the digitized list of beneficiaries and upload the digitally signed list on the website <http://dbtapp.gov.in>.

The procedural requirement for uploading of information for payment of stipend under Direct Benefit Transfer Scheme along with the format has already been shared and also the mechanism and the procedural requirement have been stressed upon through various communications and also training sessions/workshops of the Project Directors held in the Ministry.

However, it has been observed that the implementation is lagging behind and some of the districts are not even prepared with digitized data of the beneficiaries. I would also like to reiterate that the digitally signed digitized data of the beneficiaries which is the most essential component is not forthcoming from the districts to the Ministry despite several communications, which is delaying the process of release of stipend to the beneficiaries.

Hence, it is requested that immediate action may be taken to expedite the process and the digitally signed digitized data of beneficiaries may be sent immediately to the Ministry so that the payment of stipend to the beneficiaries does not get delayed. It is also requested that the status of DBT implementation (in the prescribed proforma) may be sent to the Ministry immediately.

A workshop/training session has been arranged for the implementation of this DBT Scheme on 23<sup>rd</sup> September, 2013 at 11.00 P.M. in the Main Committee Room, C Wing, Shram Shakti Bhawan, New Delhi. You are requested to kindly direct your Project Director to attend the same, positively, with the Digitized list of the Beneficiaries.

With regards,

Yours sincerely,
