ESIC Scheme in Haryana

ESI Scheme was introduced in Haryana Region in the year 1953, while it was a part of composite state of Punjab with its Regional Office at Chandigarh. Initially it covered around 20,000 employees & 100 employers. When Haryana was carved out of Punjab in 1982 then the Regional Office was shifted from Chandigarh to Faridabad. Presently, ESI Scheme has been implemented fully in all the districts of Haryana covering about 23.19 Lakh employees working with 98,946 employers. For effective administrative control in the state, Sub-Regional Offices at Gurugram and Ambala have been established in addition to Regional Office in Faridabad. ESIC has been providing Cash and other benefits to the beneficiaries through 17 Branch Offices and 2 DCBOs (Dispensary Cum Branch Offices). Further, in the state of Haryana there are 04 ESI Scheme Hospitals, 03 ESIC Hospitals and 85 Dispensaries providing Health care to the Insured Persons and their dependants. Additionally, to provide Super Specialty Treatment, ESI Corporation has collaborated with 56 tie-up hospitals and to provide Secondary Care treatments to around 89,06,957 lakh beneficiaries.

Shri Bhupender Yadav also chaired a tri-partite meeting with the representatives of employers and workers on functioning of ESI Scheme at Labour Bureau Bhawan, Chandigarh. Zonal Medical Commissioners and Regional Directors attended the meeting alongwith ESI Corporation members.

Separately, a meeting on “Occupational Safety & Health” was held under the chairmanship of Union Labour Minister, where the preventive measures and the role of ESIC in “Occupational Safety & Health” was deliberated upon. Director General, ESIC also presented “New ICT initiatives in ESIC” in the meeting. He briefed about the upgradation in ICT and new tech-based initiatives launched by ESIC to provide better services to the Insured Workers and their dependants.
