

# Total corpus of various funds managed by EPFO Invested as per the Investment Pattern notified by Government

Posted On: 11 DEC 2023 4:45PM by PIB Delhi

Employees' Provident Fund Organisation (EPFO) invests Funds as per the Investment Pattern notified by the Government. Total corpus of various funds managed by EPFO as on 31.03.2022 was Rs. 18.30 lakh crore, which has been invested as under:

|  |                 |
|--|-----------------|
| Debt Investments (including Public Account of India) | ETF Investments |
| 91.30%   | 8.70%           |

EPFO does not invest directly in individual stocks including stocks of any blue chip company. EPFO invests in Equity markets through ETFs replicating BSE-SENSEX and NIFTY-50 indices. EPFO has also invested from time-to-time in ETFs constructed specifically for disinvestment of shareholding of the Government of India in body corporates. The details of investments made by EPFO in ETFs during the last seven years and current year are as below:-

| Year                         | Amount Invested<br>(in Rs. crore) |
|------------------------------|-----------------------------------|
| 2016-17                      | 14,983                            |
| 2017-18                      | 24,790                            |
| 2018-19                      | 27,974                            |
| 2019-20                      | 31,501                            |
| 2020-21                      | 32,071                            |
| 2021-22                      | 43,568                            |
| 2022-23                      | 53,081*                           |
| 2023-24 (till October, 2023) | 27,105*                           |

\*Provisional

This information was given by the Union Minister of State for Labour and Employment Shri. Rameshwar Teli in a written reply in the Lok Sabha today.
