The Ministry of Labour & Employment has launched e-SHRAM portal, a National Database of the Unorganised Workers on 26th August, 2021. It has been made available to the States/UTs for registration of unorganised workers including migrant workers on e-SHRAM portal. It also allows an unorganised worker to register himself or herself on the portal on self-declaration basis. The main objective of the e-SHRAM portal is to create a national database of unorganised workers seeded with Aadhaar. It is also to facilitate delivery of Social Security and welfare Schemes to such workers. As on 07.12.2023, more than 29.21 crore unorganized workers have been registered on this portal.

In order to safeguard the interest of the Migrant workers, the Parliament has enacted the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Services) Act, 1979 which, inter alia, provides for registration of certain establishments employing Inter State Migrant Workers, licensing of contractors etc. Workers employed with such establishment are to be provided payment of minimum wages, journey allowance, displacement allowance, residential accommodation, medical facilities and protective clothing etc. Therefore, adequate legal provisions are in place to protect the interest of the migrant workers.

The enforcement authorities under Central Industrial Relations Machinery (CIRM) conduct regular inspections of the registered establishments and licensed contractors. Besides, the State Governments are mandated to enforce the Act, in the State Sphere.

This information was given by the Union Minister of State for Labour and Employment, Shri. Rameshwar Teli in a written reply in the Rajya Sabha today.
