

Dr. Mansukh Mandaviya Participates in Seminar on Health Challenges and Healthy Lifestyle at ESIC Medical College & Hospital, Faridabad

Inaugurates Advanced Medical Facilities, Including Digital Mammography, Digital Radiography Fluoroscopy System, and Next-Generation Sequencing Application

Unveils Statue of Lord Dhanwantari at ESIC Medical College & Hospital Premises

Posted On: 06 MAR 2025 12:30PM by PIB Delhi

Union Minister for Labour & Employment and Youth Affairs & Sports, Dr. Mansukh Mandaviya today participated in a seminar on "Health Challenges and Healthy Lifestyle" organized by Arogya Bharti in collaboration with ESIC Medical College & Hospital, Faridabad in Faridabad, Haryana.

Addressing the gathering, Dr. Mandaviya emphasized the importance of preventive and promotive healthcare in building a healthy and fit India. Citing the wisdom of ancient Indian medical pioneers like Charak, Sushruta, and Lord Dhanwantari, he highlighted India's rich healthcare legacy. He stressed the significance of meditation, yoga, and fasting as key components of preventive healthcare and commended Arogya Bharti's

efforts in organizing wellness camps across the country to promote holistic well-being.

Inauguration of Cutting-Edge Medical Facilities

During his visit, Dr. Mandaviya inaugurated three state-of-the-art medical facilities at ESIC Medical College & Hospital, Faridabad:

- **Digital Mammography Services** – A high-resolution, digital detector-based mammography machine designed for advanced imaging, particularly beneficial for early detection and evaluation of breast cancer.
- **1000 mA Digital Radiography Fluoroscopy (DRF) System** – A modern diagnostic system for high-quality X-ray radiography and fluoroscopic-guided interventions, enhancing diagnostic capabilities for insured workers and their families.
- **Next-Generation Sequencing (NGS) Application** – A cutting-edge technology that will aid in oncology research, RNA sequencing, and pathogen identification, paving the way for precision medicine.

The addition of these facilities will significantly improve diagnostic and treatment services for insured workers and their dependents, ensuring access to world-class healthcare within the ESIC network.

Unveiling of Lord Dhanwantari's Statue

As a tribute to India's ancient healing traditions, Dr. Mandaviya also unveiled a statue of Lord Dhanwantari, the god of Ayurveda, at ESIC Medical College & Hospital.

Engaging Participation from Healthcare & Industry Leaders

The seminar witnessed active participation from doctors, paramedics, medical students, industrial workers, and office bearers of industrial associations and Arogya Bharti, reflecting a shared commitment to preventive healthcare and holistic well-being.
