

Dr. Mansukh Mandaviya to Inaugurate Newly Developed 220-Bedded ESIC Hospital in Ranchi, Jharkhand Tomorrow

Union Minister to Give Cash Benefits Certificates/Sanction Letters to ESI beneficiaries and Felicitate Construction Workers

Posted On: 16 APR 2025 4:14PM by PIB Delhi

Union Minister of Labour & Employment and Youth Affairs & Sports, Dr. Mansukh Mandaviya, will inaugurate the newly developed 220-bedded ESIC Hospital at Namkum, Ranchi, Jharkhand on 17th April 2025. This state-of-the-art facility marks a significant milestone in strengthening healthcare delivery under the Employees' State Insurance (ESI) Scheme in the state of Jharkhand. Union Minister of State for Defence, Shri Sanjay Seth along with Shri Pradip Verma, Hon'ble Member of Parliament (Rajya Sabha), Shri Rajesh Kachhap, MLA, Khijri, Ranchi and senior officers of ESIC will also be present on the occasion.

During the programme, Dr. Mandaviya will felicitate and give Cash Benefits Certificates/Sanction Letters to ESI beneficiaries. He will also felicitate construction workers who were involved in the construction of hospital.

Originally established in 1987, the ESIC Hospital in Namkum was founded with the primary objective of providing accessible, affordable, and quality healthcare services to insured workers and their families. For over four decades, it has played a vital role in serving the healthcare needs of industrial workers in Ranchi and the surrounding areas.

To further enhance healthcare services in the region, the Employees' State Insurance Corporation (ESIC) approved the construction of a 200-bed hospital in June 2018. Construction commenced on 31st May 2018 and has since been completed, with the facility now upgraded to a 220-bedded hospital. In a significant development, ESI Corporation also approved the establishment of a Medical College with 50 MBBS seats in October 2024, with operations set to begin in near future.

The hospital is well-equipped with essential departments such as General Medicine, Surgery, Gynaecology, Orthopaedics, Ophthalmology (Eye), and Dental, along with various support services. It offers both Outpatient (OPD) and Inpatient (IPD) care, effectively meeting the medical needs of ESI beneficiaries. The upgraded hospital will now also offer speciality and super-speciality treatments, greatly improving access to advanced healthcare services for residents of Ranchi and neighbouring districts.

The modernised facility is expected to benefit over 5 lakh Insured Persons (IPs) and their dependents, offering improved infrastructure and a broader range of medical services. The hospital complex features a Basement, Ground Floor, and four additional floors, spread across a 7.9-acre campus. New building has been constructed with a cost of 99.06 crore and spread 17559 sq meter area. It is a 4 storey building equipped with 03 modern Operation Theatres (OTs) and provision for one additional Operation Theatres (OTs). It has 34 wards and 6 isolation wards, 40 OPD rooms and enough space for all doctors, administrative officers and staff.
