Section 4: Description and Definition of Success Indicators and Proposed Measurement Methodology

The description and definition of Success Indicators are as indicated against the activities. The measurement methodology will be as prescribed in the guidelines.

Evaluation of Success Indicators in respect of the objective for Prevention and settlement of industrial Disputes and strengthening labour laws enforcement machinery will be through Monthly Assessment report of each officer in the field.

RSBY: The 'Rashtriya Swasthya Bima Yojana' for BPL families (a unit of five) in Unorganised Sector providing for smart card based cashless health insurance cover of Rs. 30,000 became operational w.e.f. 01.04.2008. The scheme provides for portability of smart card by the splitting the card value for migrant workers. The beneficiary is entitled to treatment in any empanelled hospital (PUBLIC/PRIVATE) throughout the country using both public and private service providers for delivering the insurance package. There is no age limit, hence, senior citizens are also covered. The premium is shared on 75:25 basis by Centre and State Government. In case of states of North East region and Jammu & Kashmir, the premium is shared in the ratio of 90:10. As the scheme is being implemented through the State Governments, the involvement of States is imperative. The Ministry prepared model documents like tender document, contract document, template for enrolment of beneficiaries to facilitate the State Governments in preparing the project proposals. There were series of meetings with the Ministers/ high level officers to convince the State Governments about the benefits of the schemes. The success of the scheme largely depends upon the cooperation of States by making commitment of State share of premium, preparing the BPL data in prescribed template, and making available the Field Key Officers for enrolment under RSBY.

SCHOLARSHIP to children of Beedi Workers: The children of Beedi workers who are studying in class I and above (PG and Professional Degrees) are getting scholarship from Rs. 250 to Rs. 8000 per annum. The concerned Welfare Commissioner scrutinizes the application form and issue the sanction order for grant of scholarship. The scholarship is paid through Bank Draft in the name of Principal of the concerned School/College or it is deposited in the Savings Bank account of the individual.

National Social Security Fund: Regarding new budget allocation of Rs.1,000 crore for National Social Security Fund in 2010-11 it may be mentioned that the Ministry of Labour & Employment has not been allocated any fund and the budget allocation of Rs.1,000 crore for National Social Security Fund in 2010-11 is with the Ministry of Finance.

HEALTH CARE services to Beedi Workers and their families: Health care services are being provided to Beedi workers and their families through 204 dispensaries and 07 Hospitals located at various places where the beedi workers are concentrated. The workers are also provided with various facilities like Maternity Benefits, Family Welfare Operations, Re-imbursement for Heart Disease (Rs. 1.30 Lakh), Kidney Transplantation up to Rs. 2.00 Lakh, Cancer, Minor Operations up to Rs. 30,000/- T.B., Leprosy and Mental Disease etc. The concerned worker applies in the prescribed proforma to the concerned Welfare Commissioner for grant of the benefits.

HOUSING subsidy for Beedi Workers: Under the Revised Integrated Housing Scheme (RIHS) of beedi workers, subsidy amount of Rs. 40,000/- per house is provided in two equal instalments for the construction of houses by individual beedi workers, Co-op. Group Housing Societies and construction of houses by State Government. The proposals are processed, inspections of houses are carried out and random inspections are conducted. The success indicators include the number of houses sanctioned and subsidy released for the construction of houses. The actual value for FY 2008-09 in respect of success indicator i.e sanction and release of subsidy for construction of houses include a special drive undertaken for completion of old houses. The success depends on the number of housing proposals received from the state Govt. and individual beedi workers through field offices of Labour Welfare Organisations and the progress of construction of houses informed by the State Govt./Individual workers/Co-operative Group Housing Societies through the Labour Welfare Organizations. The number of houses sanctioned and subsidy released depend on the budget sanctioned by the Government as it is a non plan activity.

The provision of computers towards computerization mentioned under objective 6 (Prevention and settlement of industrial disputes and strengthening labour laws enforcement machinery), Action 3, will benefit in the following manner:

- a) Streamlining and retrieval of the data base regarding inspections, court cases, award implementation,

Section 4: Description and Definition of Success Indicators and Proposed Measurement Methodology

disposal of disputes, payment of gratuity cases, claim cases, gratuity cases, etc. which will increase the efficiency and performance of the CIRM Officers.

b) Streamlining the follow up and remedial action.

NCLP Scheme: The success of the NCLP Scheme (Objective-1) lies in identification of child labour and mainstreaming them into formal system of education by providing them bridging education in the special schools operated under the scheme. These are measured mainly by way of seeking Quarterly Progress Reports from the NCLP Societies headed by the District Magistrate/Collectors. The Department of Labour of the State Governments are involved in monitoring the steps taken to eradicate child labour, as they form part of the Central Monitoring Committee.

Section 5: Specific Performance Requirements from other Departments

The achievement of the targets will largely depend upon the efficient clearance of files by the Integrated Finance Division/Department of Expenditure and filling up of the vacancies in the Ministry by DOPT/UPSC as well as approval for augmentation of manpower wherever required, by Deptt. of Expenditure.

Labour is a 'Concurrent' subject. It is pertinent to indicate that the areas concerning the Ministry are also those where a major role is played by the State Government which are also allocated resources under the Centrally Sponsored Schemes of the Ministry. Although there is regular interaction with the State Governments by way of discussions with senior Officers while on tour to States to discuss various implementation aspects as well as through Area Officers Scheme, but the achievement of many of the success indicators under various objectives/activities of the Ministry depends on the response of the States as well as the effective implementation of the schemes/programmes by them.

Constraints in achieving the Targets in respect of objective 3 – Eliminating Child Labour from hazardous occupations and processes:

1. Enrollment of children in Special Schools for child labour withdrawn from hazardous occupations and processes depends on the survey conducted by the NCLP Societies within the parameters laid down in the NCLP Scheme and also availability of sufficient numbers of such children for a particular school.
2. There are many children who have attained the age of fourteen years prefer to opt for employment/self-employment instead of opting for continuing their education.
3. Different States follow different curricula considering the local conditions. To adopt similar curricula in the NCLP Schools located in a particular State, initiative has to be taken by the State Labour Department in consultation with State Education Department. It has to be taken into consideration that the children enrolled in the special schools belong to a special category with either no or negligible educational background and will not be in a position to adapt to the normal educational text books prescribed in the schools in a particular State. Further, this will require convergence at various levels.
4. The welfare schemes of the Government of India operated by various Ministries/Departments, has a target group on which the scheme is applicable and to provide benefits to the child labourers and or their families, the schemes may require modifications. To modify the schemes, approvals of various Government agencies, such as Planning Commission, Expenditure Finance Committee/State Finance Committee, are required. This may take time varying from 3 months to 2 years. As is known that child labour is an off-shoot of poverty and as per moderate estimates there are 30 crore persons living below poverty line in India and to reach out to even ten per cent of this populace needs gigantic effort.
5. It is imperative that to achieve elimination of child labour in hazardous occupations/processes, at the first instance, all welfare schemes of the Government of India and the State Governments are converged as most of the problems emanate from poverty and all the schemes are to alleviate poverty. Hence, the welfare schemes of Ministry of Rural Development, Urban Affairs and Poverty Alleviation, Railways, Women & Child Development are converged to strike at the root of the problem of child labour.
6. The projections for 2012-13 has not been given keeping in view that the scheme is at present only up to 11th Plan i.e 2011-12.

Constraints in achieving the Targets in respect of objective 4 – Promoting Skill Development:

1. The release of funds under different schemes is dependent on the proposals received from the State Governments.
2. (a) ITIs are directly under the control of State Governments and all are in the process of upgradation / modernisation in various stages and, therefore, persons imparted training or placement is not possible to monitor in absence of relevant date. MIS is being developed for this purpose.
- (b) As ITIs are under the control of State Governments, responsibility of opening ITIs and increasing seating capacity depends on quality proposals received from State Governments as well.
3. The achievement of targets under MES is dependent on providing Rs.60.0 crores by the Ministry of Finance.
4. Release of interest free loan under the scheme of Upgrading Government ITIs through PPP is subject to the outlay under the Scheme being restored by the Ministry of Finance.

Section 5: Specific Performance Requirements from other Departments

Constraints in achieving the Targets in respect of objective 2 – Providing Social Security to organized sector workers:

1. With regard to Action 1, success indicators (i) and (ii), confirmation of creation of medical infrastructure by the State Governments will be required to achieve the target.
2. With regard to Action 2, achieving success indicators (ii) and (iii) will depend on overall economic situation which is directly linked to coverage of establishments and the increase in membership.

Constraints in achieving the Targets in respect of objective 7 – Improving Safety conditions and safety of workers:

1. The number of inspections by DGFASLI with regard to Action 1, success indicator (iii) will depend on the number of Cargo ships calling on major ports as a declining trend has been noticed recently.
2. Conducting of studies, surveys and inspections by DGFASLI with regard to Action 1, success indicators (ii) and (iii) will depend on augmentation of manpower for which the matter has been taken up with the Department of Expenditure.
3. The figures of achievement shown with respect to action 2 for grant of certificates are for calendar year 2008-09 were not calculated by combining competency certificate like 2 class/foreman/blaster/gas testing/ binding engine etc. The figure for 2009-10 have been calculated by combining all competency certificates.
4. The figures of 2010-11 to 2012-13 of projects relating to inspections to be made by DGMS are dependent upon the filling up of the vacant post of field / inspecting officers.

Constraints in achieving the Targets in respect of objective 5 – Strengthening Employment Services:

So far as action relating to the activity of Welfare of SC/ST jobseekers through Coaching, Vocational Guidance and Training is concerned it is not possible to fix any targets in respect of these activities being provided by Coaching-cum-Guidance Centers (CGCs) for SC/STs as services under these activities are provided to the candidates who feel necessity for such services.

2. The selection of agency for upgradation and modernization of employment exchanges (EEMMP) by 31.10.2010 is subject to the approval of the project by July 2010.

Constraints in achieving the Targets in respect of objective 8 – New Legislative Initiatives:

For review/update of following 11 major Acts, the achievement of the targets depend upon the approval from Cabinet, Committee of Secretaries and introduction/consideration and passing of Bills by the concerned House of the Parliament:

1. The Labour Laws (Exemption from Furnishing Returns and Maintaining Registers by Certain Establishments) Act, 1988.
2. The Employees State Insurance Act, 1948
3. The Industrial Disputes Act, 1947
4. The Plantations Labour Act, 1951
5. The Factories Act, 1948
6. The Mines Act, 1952
7. The Minimum Wages Act, 1948
8. The Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959
9. The Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979
10. The Employees' Provident Fund & Miscellaneous Provisions Act, 1952
11. The Payment of Gratuity Act, 1972
